

## What's Happening - August Newsletter

Greetings! August in Vermont is the time for cooler nights, garden harvests and back to school preparations. It's also the month that the NEK comes alive with festivals, farmer's markets and county fairs. We love this time of year and thought it would be nice to share some of our favorite ways to have fun in August! We hope you'll have the opportunity to enjoy one or more of these activities before you send the kids back to school.

We'll see you out there!  
Your StoneCrest Team
