The SYCAMORE

JOHN LIBBY *Construction*

Welcome to the Sycamore - a thoughtfully designed 3-bedroom, 2.5-bath, two-story home. The heart of this layout features an open-concept kitchen, dining, and living area with cathedral ceilings and an abundance of windows to maximize natural light. The main floor includes a spacious primary suite, separate laundry room, and a 2-car garage. Upstairs, two additional bedrooms, a dedicated office, a full bath, and a cozy reading nook create the ideal retreat.
