## What's Happening

**Greetings and happy Thanksgiving!** In honor of feast day, we want to share some thoughts about the most important room in the house, the kitchen. When we show homes, it is often the space a prospective buyer will want to see first and for good reason! Quality appliances and solid cabinetry are beautiful, functional and appealing. For cooking, eating or entertaining guests, a great home needs a great kitchen! Here's a look at some features of our favorite kitchens and a few words about why we love them.

An adjoining formal dining room and custom butcher block island provide elegance and convenience in this recently updated [Victorian home](#), in Lyndonville.

Pretty, textured glass cabinet door inserts are a fun way to make the most of a small space in this [cozy Newark cabin](#).

A farmhouse sink and quartz countertops add style and durability to the brand new kitchen of this hilltop [timber frame home](#) in Lyndon.

This [1900 cape style home](#) includes a high end Frigidaire appliance package sure to please even the most ambitious of home cooks for many Thanksgivings to come.

The unique layout of this [Lyndon home](#) is what entertaining dreams are made of - open, inviting, with plenty of seating options for all your guests and family dinners.

## A Seller's Guide to Kitchen Remodel

Zillow.com

A common real estate adage says "kitchens sell houses," and it's true - for the most part. Kitchens are definitely something buyers pay close attention to. According to the Zillow Group Consumer Housing Trends Report 2018, 58 percent of buyers...
