Inspired.

By the sea.

The property was designed to immerse you in an unparalleled seaside experience, from dramatic harbor views and waterfront dining to its own esplanade pier along Boston's enchanting Harborwalk. Even the architecture captures the splendor of the sea, as the 22-story facade evokes billowing sails, rolling waves and the arc of a ship's bow. But don't let its beautiful exterior fool you — this is a robust, technologically-advanced property, boasting a range of innovations for optimal resiliency and sustainability.
