THE ELAINE

FIRST FLOOR PLAN

Welcome Home to The Elaine

This classic ranch-style plan has something for everyone with all of the living space located on one level.

A kitchen made for entertaining opens up to the spacious living area and breakfast nook.

Adding a morning room brings in even more light and adds another dimension.

A generously sized Owner's Suite is secluded from the other bedrooms and offers a large walk-in closet and private bath.

All dimensions are approximate. Floor plans are artist's conception and may vary slightly from precise and most current blue prints and specifications. Plans and elevations may show options not included in the base price. Details subject to change without notice.
