THE PETERMAN II

Welcome Home To The Peterman II

As soon as you enter the foyer you will love the flexibility and charm of the open concept living area of this home.

The first floor large private Owner's Suite includes a large walk-in closet as well as a spacious bath with dual sink vanity. Two more Bedrooms share a bath and private hall, also on the first floor.

The second floor boasts an open Loft that overlooks the Living and Breakfast room as well as an additional Bedroom and Bath.

The Peterman II is designed for how you live your life and is perfect for larger families or for entertaining guests.

All dimensions are approximate. Floor plans are artist's conception and may vary slightly from precise and most current blue prints and specifications. Plans and elevations may show options not included in the base price. Details subject to change without notice.
